Dr. Bob Johansen

Kuni Hay

Tram Vo-Kumamoto

Dr. Omar Torres

Dr. Lynn Wright

Main Conference Agenda: Friday, April 12, 2024

7:30am - 8:00am

Breakfast

8:00am - 9:30am

Better Futures for Working & Living

Dr. Bob Johansen, Distinguished Fellow,
Institute for the Future

Dr. Bob Johansen is a futurist who has outlived his forecasts more than five times over, with remarkable accuracy. Bob will introduce his futureback view of working, learning, and living--with practical advice for claiming your agency to make better futures. Bob is a social scientist (PhD from Northwestern University) who also has a divinity school degree focused on world religions. Most of his career has been in Silicon Valley and he continues to assess emerging technologies from a human and organizational perspective. His new book will focus on Generative AI and leadership.

9:30am - 11:00am

Roundtable Discussions: Participants will have the opportunity to converse with one another and highlight best practices based on noted tabletop themes. Please plan to spend as little or as much time as you need at each table
