

NOTES

No special title. Also has a 20% 10 month faculty member who serves as assistant director

Eligible to receive reassigned time during the intersessions (3 LHE each intersession term). We have nothing in our faculty contract regarding duties.

Nursing Coordinator

In addition, we have a Nursing Faculty Leader, 10 month contract that receives 20% Reassign Time Plus stipend as the Assistant Director (BRN compliance)

We are currently evaluating whether or not we may change this faculty position to a manager position due to difficulty in filling the position.

Yes to Special attention in the contract. Summer Stipend = 30% load for a regular term paid in cash at adjunct hourly rate, not as a % of full-time salary. Defined in areas that spell out need for work product in the Summer and the compensation is contractual, not ad-hoc.

In Los Angeles District see article 13 A-9, spelled out in detail

Ours is a new administrative director position but tenured faculty member does it.

20% Release time for the assistant director.

No special attention in faculty contract.

Associate Dean position

Faculty Assistant Director on 25% release time.

Assignment is part of the bargaining agreement.

Nursing Director has received a non-instructional assignment if working additional hours on special projects/grants; about 100 hours a semester (fall and spring typically). Coordinators are mentioned in conjunction with department chair duties in the contract.
