

CCCPE

Good morning everyone and welcome back to what may prove to be a very trying year for Physical Education and Athletics. Since the language in Title 5 repeatability is in the process of being changed for a Fall 2013 implementation, we, CCCPE, are holding two meetings to help with the transition.

SOUTHERN MEETING: Our first meeting will be in Southern California at Long Beach College on Friday, September 28th. At this meeting, we will be discussing changes to curriculum, TOP codes and changes to course TOP codes, the effect on athletics and "families" of courses. This meeting is scheduled to run from 11:00 to approximately 3:00 or 4:00 and will be preceded by the inaugural meeting of the Political Action Committee, a new CCCPE committee. We would like to get a head count, so if you are planning on attending, please contact Karen Kane (kkane@lbcc.edu). Lunch will be provided by CCCPE for those who RSVP to Karen. Bring your laptops and any curriculum questions you might have.

NORTHERN MEETING: The North meeting will be at Folsom Lake College on Friday, October 5th at 11:00. Same agenda as above with the exception of the PAC committee. Contact Kim Harrel to RSVP (harrelk@flc.losrios.edu) for lunch reservations.

WEB PAGE: I don't know how many of you have visited our web page yet (<http://www.cccpek.org>) but its up and running and has a ton of information. The membership tab will allow you to update your membership, the resource page has many articles and helpful hints, and the changes to the constitution. Please read over the constitution and be ready to vote at the Fall CCCAA/CCCPE meeting in October.

The CCCPE blog is also up and running. Feel free to post a comment. If you have a new blog topic, you can email me at: schroederrich@fhda.edu and I'll post it.

FALL CCCAA/CCCPE MEETING: Save the dates - October 30 to November 2 for the annual fall CCCAA/CCCPE meeting at the Hilton Orange County. Go to (<http://www.cccaasports.org>) for information.
