

Committee Reporting Form CCCCIO Representatives on Statewide Committees

Committee: CCCCCO Advisory Committee on College & Career Readiness and the Common Core	CCCCIO Rep: Mary Turner
Meeting Date: February 28, 2013	Meeting Location: CCCCO, Sacramento, CA

Committee Charge:

To implement Student Success Task Force recommendation 1.1 by providing a forum for representatives from California Community Colleges key stakeholder groups to understand national and state efforts to implement the new Common Core State Standards and accompanying K-12 assessments planned for 2014-15; and, to provide input on CCC alignment with K-12, definitions of college and career readiness, and transition of the Early Assessment Program.

Committee representatives: CSSOs, Assessment, EAP, ASCCC, CTE, SSSCC, CEO, Research, and the CCCCCO. It is intended for the committee to meet 2-3 times between February and December, 2013, with possible continuation into 2014.

Meeting Agenda Topics:

- Overview of the Common Core State Standards
- California Community Colleges' Role: Overview of EAP and Implementation to date; Involvement in SBAC Higher Education Leads Committee; Intersegmental SBAC Collaborative
- Overview of the Smarter Balanced Assessment and California's Implementation Efforts to Date
- Local College Implementation
- Defining College and Career Readiness

Presentations:

- Barbara Murchison (CDE) -- "Transitioning to the Common Core State Standards"
- Deborah Sigman (CDE) -- "Smarter Balanced Implementation -- Transitioning California to a Future Assessment System"
- Sonia Ortiz-Mercado -- "Improving High School Student Readiness for College"
- Jannie Mackay -- "Long Beach College Promise"
- Linda Michalowski and Beth Smith -- "Smarter Balanced Assessment Consortia: Defining College Readiness & Achievement Level Descriptors"

Topics for CCCCCO consideration/discussion:

- Engage CIO's and faculty in conversations around Common Core Standards and new Smarter Balanced assessments
- Remind colleges participating in EAP that they have access to data from CCCCCO that can be used in research as well as for counseling and assessment
