

**Committee Reporting Form  
CCCCIO Representatives on Statewide Committees**

<b>Committee: Intersegmental Curriculum Workgroup</b>	<b>CCCCIO Rep: Deborah J. Ikeda</b>
<b>Meeting Date: March 21-22, 2012</b>	<b>Meeting Location: Westin San Francisco</b>

**Committee Charge:** The ICW – Intersegmental Curriculum Workgroup – is composed of CSU faculty senate members and ASCCC faculty members. They included two administrators, one was Stephanie Low and the other was me. This group actually does the final vetting of the TMC’s, so the right person for this assignment is someone that loves curriculum and someone that can bring a CIO perspective to this (including how curriculum is linked to other support functions such as catalog creation, scheduling, load factors, etc.)  
The ICW meets approximately once a month in Sacramento. This is a good group and offers someone the chance to hear the CSU perspective in terms of curriculum, transfer, and articulation.

**Meeting Agenda Topics:**

- **How many TMC’s are enough?**
- **Non-aligned Degrees**
- **TMC’s and Exceptions**
- **Identify and Prioritize ICW Objectives**
- **CLEP and AP**
- **Only retired full-time faculty and current full-time faculty can serve on the CORE**
- **Update on C-ID and CCA Grant including counseling materials, marketing, calendar, degree descriptions for 1440 website**
- **Admissions**

**MORE DETAILED NOTES ON THE ATTACHED**

STEERING  
COMMITTEE AGENDA

**Topics for CCCCCIO consideration/discussion:**

- **Insure faculty are checking the TMC proposed degrees online and giving their opinions**
- **Keep working on developing college SB 1440 Transfer degrees patterned after the approved TMC’s**
