| Committee: CCC Matriculation Advisory Committee Meeting | CCCCIO Rep: Meridith Randall |
| Meeting Date: March 29, 2012 | Meeting Location: Sacramento |

Committee Charge:
 Advisory to Chancellor's Office on matriculation matters

Meeting Agenda Topics:
 CCCCCO staff reviewed the budget and informed the committee that separate groups had formed to work on enrollment priorities and assessment. The rest of meeting focused on SSTF recommendations and the language in the current legislation, with an emphasis on defining "ed plan." However, there was not sufficient time to fully discuss the topic, so a two-day workshop is planned for July.

- Topics for CCCCCIO consideration/discussion:**
1. General agreement that ed plan requirement will need to be phased in
 2. Ensuring students understand difference between federal and local SAPs
 3. How can educational goals be "informed"
 4. How will ed plans drive scheduling
 5. Requirement for even priority groups (EOPS, vets, et al.) to remain in good standing to retain priority enrollment
 6. Need to track work of assessment group, will eventually drive curriculum changes
 7. MIS data (especially SM elements) will need to be re-examined and may eventually have more impact on funding
